Dear Vlad and Charles,

On Friday, January 24, the Social and Behavioral Sciences Panel of the ASC Curriculum Committee (ASCC) considered a proposal for new course Political Science 3240.

The Panel unanimously approved the course, which they all thought was very well developed. They had one small comment (to be considered when the course is taught), namely: Please remove the reference to a “standard OSU letter grading scale” on p.3 of the syllabus. There is no actual “standard” OSU scale. This is simply a grading scale that is widely used.

The course request has been advanced to the next level.

Should you have any questions about the review at the SBS Panel, do not hesitate to contact Susan Kline, faculty Chair of the SBS Panel (cc'd here), or me.

Best,  
Bernadette
