Dear Ian,

The Natural and Mathematical Sciences Panel of the ASC Curriculum Committee reviewed a new course proposal for EEOB 5350 on Monday.

I am happy to report that the panel members were enthusiastic about the course submission and unanimously approved it.

The course has already been advanced to the next step.

Should you have any questions, please feel free to contact Harald Vaessin (faculty Chair of the NMS Panel; cc'd on this e-mail), or me.

Many thanks,  
Bernadette
