Dear Dr. Stanutz,

On Monday of this week, the Arts and Humanities 2 Panel of the ASC Curriculum Committee reviewed a proposal for a new first-year seminar, "Working for the Weekend: Productivity and Leisure in American Culture."

I am happy to report that the proposal was unanimously approved by the faculty panel. The panel members only had one recommendation/comment, namely: The title of the seminar could be improved, could be more specific. Luke Wilson, who is the faculty Chair of the Arts and Humanities 2 panel, indicated he would be in touch with you to give a few pointers on how to improve the title.

I am cc'ing Todd Bitters, who administers the First-Year Seminar program. He will be in touch with you for all the practical arrangements related to teaching the course in the Fall.

Congratulations on your new first-year seminar.

My best,  
Bernadette
