Re: Approval of a new Minor Program in Women, Gender, and Public Policy.

Dear Maria,

On May 13, 2020, the Arts and Humanities Panel 1 of the ASCC reviewed a proposal to create a new dual Minor program in Women, Gender, and Public Policy. The new program was created by the John Glenn College of Public Affairs and the department of Women's, Gender and Sexuality Studies (WGSS) and it will be administered by the Glenn College and WGSS. Students in this new minor will be advised by the Glenn College Student Services team.

The panel members found the new minor to be innovative and essential, and agreed that its unique curriculum will complement other studies across the university. The panel enthusiastically approved the proposal via email with some minor feedback related to the proposal, which have been addressed. We now advance the proposal to the Arts and Sciences Curriculum Committee with a motion to approve.

Sincerely,
