Good afternoon,

On Friday, May 15, the Social and Behavioral Sciences Panel of the ASC Curriculum Committee reviewed a course proposal for Psychology 5505.

The Panel unanimously approved the request with one recommendation:

- The form on curriculum.osu.edu indicates that this course “is an elective (for this or other units) or is a service course for other units.” The Panel recommends notifying any units that may use this course as an elective for their programs of the changes being made.

Psychology 5505 will continue through the approval process.

Should you have any questions about the feedback of the Panel, please feel free to contact Susan Kline (faculty Chair of the SBS Panel; cc’d on this e-mail), or me.

Best wishes,
Shelby
