Good afternoon,

The request to offer Public Affairs 2110 (existing course with GE Social Science—HNER) fully online was reviewed by the Social and Behavioral Science Panel (of the ASC Curriculum Committee) on Friday, May 15.

The Panel unanimously approved the request with two recommendations:

- The GE assessment plan uses grades on assignments to assess ELO achievement. GE assessment should be separate from grading because factors other than pure ELO achievement have an impact on grades.
- The Panel recommends establishing clear guidelines for selecting current event articles.

Public Affairs 2110 will continue through the approval process.

Should you have any questions about the feedback of the Panel, please feel free to contact Susan Kline (faculty Chair of the SBS Panel; cc'd on this e-mail), or me.

Best wishes,  
Shelby
