Dear Professor Harnish,

On Friday, June 26, the ASC Curriculum Committee reviewed a proposal to offer a 100% distance learning version of Speech and Hearing Science 5605.

The Committee unanimously approved the request with four recommendations:

- Include information on any penalties for late assignments.
- Update the Academic Misconduct statement with the most recent language, which can be found on page 14 of the ASC Curriculum and Assessment Operations Manual ([https://ascas.osu.edu/sites/default/files/ASC\\_Curriculum\\_and\\_Assessment\\_Operations\\_Manual.pdf](https://ascas.osu.edu/sites/default/files/ASC_Curriculum_and_Assessment_Operations_Manual.pdf)).
- The syllabus says “Each group will be expected to attend one 1/5 hours video chat session each week. These video chat sessions will normally be held on Mondays 11:00-12:30 (groups 1) and Wednesdays 11:00-12:30 (group 2).” Is this meant to say 1.5 hour video chat instead of 1/5 hour?
- Provide information on the syllabus on how to contact the instructor and when to expect a reply.

Speech and Hearing Science 5605 has already been advanced through the approval process.

Should you have any questions about the feedback of the Committee, please feel free to contact Alison Crocetta (faculty Chair of the ASC Curriculum Committee; cc’d on this e-mail), or me.

Best wishes,  
Shelby
