Dear Susan,

On Friday, July 17, the ASC Curriculum Committee reviewed a proposal to offer a distance learning version of Communication 3442.

As you know, the request was unanimously approved with one contingency and two recommendations:

- Contingency: Provide a more thorough curricular rationale for requesting 100% distance-learning status. **Please see the attached DL Rationale Request Letter for more information regarding this contingency.**
- Recommendation: Include more information on exam format (e.g. if the exams are open note).
- Recommendation: For the GE rationale and assessment plan, consider using indirect forms of assessment like student reports, and ways of ensuring that assessment will not be overly time consuming.

I will return Communication 3442 to the department queue via [curriculum.osu.edu](http://curriculum.osu.edu) in order to address the Committee's requests.

Should you have any questions about the feedback of the Committee, please feel free to contact Alison Crocetta (faculty Chair of the ASC Curriculum Committee; cc'd on this e-mail), or me.

Best wishes,  
Shelby
