Good afternoon,

As you know, on Monday, April 26th, the Arts and Humanities 2 Panel of the ASC Curriculum Committee reviewed a proposal to revise the undergraduate B.A. Spanish major, adding a new LatinX LLLC track.

The proposal was unanimously approved with the following comment:

- The Panel noted that all their previous concerns were very thoroughly satisfied and the reworking of the rationale was very persuasive.

It is typically customary to invite a member of the department to answer questions from the full ASCC when the proposal is advanced to that stage. Since you have stated that you would be able to attend the ASCC meeting, Bernadette Vankeerbergen will be in contact with you to confirm the time that the proposal will be reviewed. For your reference, the full ASCC meeting will be on Friday, May 14th from 9:00AM – 11:00AM

Should you have any questions beforehand, please do not hesitate to reach out to us.

Thank you!

Best,
Michael
