Dear Nancy and Ningchuan,

Recently, the Social and Behavioral Sciences Panel of the ASC Curriculum Committee (ASCC) considered a proposal to create new course Geography 5101 (with both in-person and fully online modes of delivery) and reconsidered a proposal to offer existing course Geography 5201 in fully online and hybrid delivery modes.

I am happy to let you know that Geography 5201 was fully approved and has been advanced.

As for Geography 5101, the panel approved the new course with one contingency and some comments:

- Contingency: Provide updated curriculum map(s) for the department's major(s). The map(s) should clearly indicate which program goal(s) new course 5101 is designed to meet and at what level.
- Comments:
 - Comments for both the in-person and the 100% distance learning syllabi:
 - P. 2: Typo under required Course Materials: "In addition, each wee will include more required readings that are listed after the course schedule."
 - Title IX statement: Kellie Brennan is no longer employed at Ohio State so should no longer be listed as the university's Title IX coordinator.
 - Comments for the in-person syllabus:
 - P. 5 has distance learning language left over: Header says "Policies for this online course."
 - Course schedule is divided by week. When exactly during each week are the assignments due?

I will send back Geography 5101 in a minute via curriculum.osu.edu to enable the department to make the necessary changes.

Should you have any questions about this feedback, do not hesitate to contact Susan Kline, faculty Chair of the SBS Panel (cc'd here), or me.

Best,
Bernadette
