Good afternoon,

On Monday, September 23, the Social and Behavioral Sciences Panel of the ASC Curriculum Committee reviewed a new course proposal for Communication 7715.

The Panel unanimously approved the request with one contingency and two recommendations:

- Contingency: Request concurrence from Psychology, Statistics, Anthropology, Sociology, and Political Science.
- Recommendation: What happens on days when the topic is “Work on Assignment #”? Does the class still meet or is this independent work time? Clarify this for students before offering.
- Recommendation: Update Title IX statement – The Title IX Coordinator is now Molly Peirano. The “Syllabus Elements” page on the Curriculum and Assessment Services website includes the latest language for all required and recommended statements.

I will return Communication 7715 to the department queue via curriculum.osu.edu in order to address the Panel’s requests.

Should you have any questions about the feedback of the Panel, please feel free to contact Susan Kline (faculty Chair of the SBS Panel; cc’d on this e-mail), or me.

Best wishes,
Shelby
