Subject: Re: Concurrence request for Psychology 5800

Dear Alisa,

The faculty in the Human Development and Family Sciences program in the Department of Human Sciences voted against concurrence for the Family Psychology (Psychology 5800) course. The vote was 13 against and 1 in favor for concurrence. HDFS is resurrecting a course from the quarter system (Advanced Family Development, also a 5000-level course) and would appreciate a conversation with Drs. Emery and Schoppe-Sullivan about the possibility of cross-listing their proposed course with our course.

I apologize for not complete a concurrence form, but it was not included with the request, I trust this email will suffice.

Sincerely,

Sue

Dear Sue,

I hope you're doing well.

I've received word that Psychology 5800 will be reviewed by the SBS Curriculum Committee on Monday morning. If you have any feedback on the course, please send it by tomorrow so I can forward it to the committee.

Thanks so much,

Alisa

Dear Alisa,

Due to the holiday and the beginning of the semester tasks, I ask for a further week to engage the faculty in this discussion and respond with a letter regarding concurrence. I will email our response no later than September 18th.

Thanks

Sue

Subject: Concurrence request for Psychology 5800

Dear Dr. Sutherland,

The Department of Psychology is creating a new course titled Family Psychology (Psychology 5800). The course would be an elective course for advanced undergraduates and graduate students in the Department of Psychology. Undergraduates are required to have successfully completed Psychology 2220 (Data Analysis) and Psychology 2300 (Research Methods) before enrolling in this course. I have attached the course syllabus.

I am requesting the support of the Department of Human Sciences to include in our submission for course approval. I would appreciate it if you could respond to me via email by September 11th. Please let me know if you have any questions/concerns or would like to further discuss this course.

Thank you,

Alisa
