Subject: Revision to the GIS in Demography
Date: Wednesday, September 30, 2020 12:41:00 PM

Dear Professor Frank,

On Monday, September 28, the Social and Behavioral Sciences Panel of the ASC Curriculum Committee considered a proposal to revise the GIS in Demography. I am happy to report that the Panel unanimously approved the proposal.

The proposal will next be reviewed by the full ASC Curriculum Committee (ASCC). The next meeting of the ASCC is scheduled for Friday, October 9, 9:00-11:00am. It is customary to invite the appropriate representative to talk to ASCC about a program request and answer any questions the committee members might have. Would you be available to attend on October 9 at 9:00am to discuss the proposal or would a different time be better? Please let me know what will work best for you or if you are unable to attend.

Best,
Shelby
