Good morning,

On Wednesday, November 4, the Arts and Humanities 1 Panel of the ASC Curriculum Committee reviewed a new course proposal for Linguistics 3803.

The Panel unanimously approved the request with one question:

- Should the intended rank for this course include freshman on the curriculum.osu.edu form? While the course does not have any prerequisites, a 3000-level course may be too advanced for first-year students.

I will wait to hear from you regarding the intended course rank before advancing the course.

Should you have any questions about the feedback of the Panel, please feel free to contact Brad Steinmetz (faculty Chair of the A&H1 Panel; cc'd on this e-mail), or me.

Best wishes,
Shelby
