Good morning,

On Wednesday, November 18, the Arts and Humanities 1 Panel of the ASC Curriculum Committee reviewed a course change proposal for Portuguese 1103.

The Panel approved the request with three comments:

- The old course number (1103.01) is used in the body of the new DL syllabus (e.g. course description on page 2).
- The GE ELOs on page 2 differ slightly from the official ELOs. For example, ELO 2 on the syllabus states “Students learn about the cultural contexts and manifestations of the peoples who speak the language that they are studying.” ELO 2 is “Students describe and analyze the cultural contexts and manifestations of the peoples who speak the language that they are studying.” The ELOs can be found here: <https://ascas.osu.edu/curriculum/general-education-goals-and-expected-learning-outcomes>
- Consider using one disability statement. The current disability statement provided by SLDS includes COVID-related issues. <https://slds.osu.edu/faculty-staff/best-practices-and-resources/>

Portuguese 1103 will continue through the approval process.

Should you have any questions about the feedback of the Panel, please feel free to contact Brad Steinmetz (faculty Chair of the A&H1 Panel; cc'd on this e-mail), or me.

Best wishes,
Shelby
