Mark:

The proposal from the Department of Anthropology to revise its Master of Arts degree program, suspend direct admission to the program, and offer it as a non-thesis only program, was approved by the Council on Academic Affairs at its meeting on June 22, 2022. Thank you for attending the meeting to respond to questions/comments.

No additional level of review/approval is necessary. This action will be included in the Council's next Annual Activities Report to the University Senate (July 2022).

The Office of the University Registrar will contact you if there are any implementation issues., as will the Graduate School if there is any follow up with the Ohio Department of Higher Education.

Please keep a copy of this message for your file on the proposal and I will do the same for the file in the Office of Academic Affairs.

If you have any questions please contact the Chair of the Council, Professor Maria Coyle (.167) or me.

Randy
