How This Online Course Works

Mode of delivery: We will meet for synchronous session on Monday's and Wednesday's on Zoom at usual class time, 4:10 PM..

Pace of online activities: You will be expected to have reviewed class material for the week before attending the online session. During the synchronous sessions, we will review the key concepts, go over details of activities you are expected to complete and answer any questions you have. On days we are not meeting synchronously, you (independently or in small groups) will be assigned specific activities to help you learn and practice concepts (grammar, vocabulary and conversation) covered for the week. You (and your group) will be expected to post your work to Canvas Discussion boards following specific instructions.

Credit hours and work expectations: This is a 4 credit-hour course. According to [Ohio State bylaws on instruction](http://go.osu.edu/credit%20hours) (go.osu.edu/credit hours), students should expect around 4 hours per week of time spent on direct instruction (instructor content and Carmen activities, for example) in addition to [8] hours of homework (reading and assignment preparation, for example) to receive a grade of [C] average.

Other Course Policies

Discussion and Communication Guidelines

You will be expected to interact with your peers, participate in the group work and post audio/video to Carmen Discussion boards.

The following are my expectations for how we should communicate as a class. Above all, please remember to be respectful and thoughtful.

- **Writing style:** While there is no need to participate in class discussions as if you were writing a research paper, you should remember to write using good grammar, spelling, and punctuation. You must be always be respectful and considerate of everyone in the course. A more conversational tone is fine for non-academic topics.
- **Tone and civility:** Let's maintain a supportive learning community where everyone feels safe and where people can disagree amicably. Critique ideas, not people. Remember that sarcasm doesn't always come across online.
- **Backing up your work:** Consider composing your academic posts in Microsoft Word or a note-taking app, where you can save your work, and then copying into the Carmen discussion.

Zoom Guidelines

- A significant component of our interactions in this class will occur through Zoom videoconferencing. Because this mode of discussion has benefits and challenges that differ from in-person class sessions, I want to share my expectations for how we will meet and communicate:
- **Technical Issues:** If you encounter a technical issue with Zoom during a session, first make sure you are using the latest version of Zoom. Next, contact the IT Service Desk at go.osu.edu/it or 614-688-4357 (HELP). If issues continue, contact me after the session to learn how to make up for the missed content either via a recording or other means. I will not be able to address technical issues during a live session.
- **Preparation:** Come to the session having completed any readings or pre-work and be ready to have open, civil, and supportive discussions in video and chat spaces. I ask that you update your Zoom profile with your preferred name and add a picture with your face.
- **Participation:** At the start of our sessions, I will share specific expectations for how to use the chat, how to interact, and how to raise questions or concerns as we go. If you are unsure about expectations or are unsure about raising a question, please follow up with me afterward to make sure your questions are answered. Plan to be present during the entire class session as much as you are able. For some activities, I may ask you to share your faces on camera so that we can see each other and connect. Please feel encouraged to use a non-distracting [virtual background](#). Many students and instructors prefer not to share their remote spaces for a variety of reasons. Mute your microphone when others are talking to minimize background noise in the meeting.

If you have any concerns about participating in class over Zoom in this way, please let me know. My goal is to create a safe environment where we can benefit from seeing each other and connecting, but I want to prioritize your safety and well-being.

Recordings: I will be recording our meetings for the benefit of students who may need to be absent. These links will only be shared with students in our class, and only when a student contacts me to make this arrangement

Submitting Assignments: All assignments must be submitted on Carmen (carmen.osu.edu) unless otherwise specified at the date and time they are due. The due dates will be available for each assignment in Carmen. All writing assignments must be hand-written. You must not use online software to write your assignments. You can either handwrite on paper, take a clear picture of the page and upload to assignments or you can use iPad pencil to write the assignments in app of your choosing, The files must be in either standard image file (jpeg, png) or PDF format. Make sure the lighting and orientation is correct. If I can see and read the file, I will not assign a grade. Late assignments will only be accepted in dire circumstances.

Academic Misconduct

It is the responsibility of the Committee on Academic Misconduct to investigate or establish procedures for the investigation of all reported cases of student academic misconduct. The term “academic misconduct” includes all forms of student academic misconduct wherever committed; illustrated by, but not limited to, cases of plagiarism and dishonest practices in connection with examinations. Instructors shall report all instances of alleged academic misconduct to the committee (Faculty Rule 3335-5-487). For additional information, see the Code of Student Conduct <http://studentlife.osu.edu/csc/>.
