Good morning,

On Monday, February 22nd, the Arts and Humanities 2 Panel of the ASC Curriculum Committee reviewed a new course proposal for Jewish Studies 3220.

The Panel unanimously approved the request with two contingencies:

- **Contingency:** The Panel would like concurrences sought with the Center for Medieval and Renaissance Studies and the Department of Spanish and Portuguese.
- **Contingency:** The Panel feels as if the Diversity – Global Studies ELO number 2 explanation, “Students recognize the role of national and international diversity in shaping their own attitudes and values as global citizens” still does not properly address the “shaping their own attitudes and values as global citizens”. They would like further specificity on how this course satisfies this ELO.

I will return Jewish Studies 3220 to the department queue via curriculum.osu.edu in order to address the Panel’s requests.

Should you have any questions about the feedback of the Panel, please feel free to contact Shari Savage (interim faculty Chair of the AH2 Panel; cc’d on this e-mail), or me.

Best,
Michael
