Dear Professor Whittington,

On Wednesday, January 20th, the Arts and Humanities 1 Panel of the ASC Curriculum Committee reviewed a course change proposal for History of Art 3901.

The Panel unanimously approved the request with two contingencies:

- Contingency: The section of the syllabus providing information about grading and assignments is unclear. Please clarify how the assignments fit into the course's overall grade and provide more details about the specific assignments, such as a topic and page length of the reflection paper.
- Contingency: The syllabus contains GE ELOs but the Goals for the GE Categories is missing. Please add the Goals to the syllabus under the GE information.

I will return History of Art 3901 to the department queue via curriculum.osu.edu in order to address the Panel's requests.

Should you have any questions about the feedback of the Panel, please feel free to contact Brad Steinmetz (faculty Chair of the A&H 1 Panel; cc'd on this e-mail), or me.

Best wishes,
Michael
