Good afternoon,

On Friday, May 8th, the Assessment Panel of the ASC Curriculum Committee reviewed distance learning proposals for WGSS 2230, 2325, 4540 and 3101.

WGSS 2230 was unanimously approved with one recommendation: :

- **Recommendation:** The Panel recommends adding academic integrity statements to course assignments in order to provide more clarity to students.

WGSS 2325 was unanimously approved with two recommendations:

- **Recommendation:** The Panel recommends adding week 8 to the course schedule, as currently it is only implied that during week 8 the students should be completing the midterm.
- **Recommendation:** The Panel suggests removing the ODEE template language that are left as comments throughout the syllabus.

WGSS 4540 was unanimously approved.

WGSS 3101 was unanimously approved with one recommendation:

- **Recommendation:** The Panel recommends filling in the provided course schedule to the extent that the in-person schedule is filled out, as they believe the in-person syllabus provides a more robust schedule.

WGSS 2230, 2325, 4540 and 3101 will continue through the approval process.

Should you have any questions about the feedback of the Panel, please feel free to contact Pok-Sang Lam (faculty Chair of the Assessment Panel; cc'd on this e-mail), or me.

Best,
Michael
