Good Morning,

On Friday, February 26th, the Assessment Panel of the ASC Curriculum Committee reviewed distance learning proposals for Design 2700 and Design 2750. Please find below the Panel's feedback for these courses.

- Design 2700 (DL proposal) approved with one recommendation:
 - **Recommendation:** The Panel would like more details to the assignments as found on page 3 in order to assist with student clarity in the asynchronous learning environment.
- Design 2750 (DL proposal) approved with two recommendations:
 - **Recommendation:** The Panel suggests adding additional information, such as weekly quiz content or length of weekly responses, to the grades found on page 3 of the syllabus.
 - **Recommendation:** The course has a prerequisite, as listed on the curriculum.osu.edu form, that is not listed on the syllabus. The Panel recommends adding the prerequisite to the syllabus.

Design 2700 and 2750 will continue through the approval process.

Should you have any questions about the feedback of the Panel, please feel free to contact Pok-Sang Lam (faculty Chair of the Assessment Panel; cc'd on this e-mail), or me.

Best,
Michael
