Amy:

The proposal from the College of Arts and Sciences and College of Public Health to create an undergraduate minor in Public Health and the Arts was approved by the Council on Academic Affairs at its meeting on September 1, 2021. Thank you for attending the meeting to respond to questions/comments.

No additional level of review/approval is necessary. This action will be included in the Council's next Annual Activities Report to the University Senate (July 2022).

The program will take effect Spring 2022.

The Office of the University Registrar will contact you if there are any implementation issues.

Please keep a copy of this message for your file on the proposal and I will do the same for the file in the Office of Academic Affairs.

If you have any questions, please contact the Chair of the Council, Professor Maria Pruchnicki (pruchnicki.1@osu.edu), or me.
