Good morning,

On Thursday, February 18th, the Social and Behavioral Sciences Panel of the ASC Curriculum Committee reviewed a distance learning proposal for Anthropology 2201. The Panel unanimously approved the request with the following five recommendations:

- **Recommendation:** The Panel asks that the standard, current GE ELOs be used, which can be found on the ASC Curriculum and Assessment Services website at <https://ascas.osu.edu/curriculum/general-education-goals-and-expected-learning-outcomes> .
- **Recommendation:** The course schedule (found on pages 12 and 13) has 16 weeks mentioned. The Panel suggests removing a week from this syllabus.
- **Recommendation:** On page 8 of the syllabus, there is mention of the OSU standard grading scale. The Panel recommends removing this reference as there is no OSU standard grading scale.
- **Recommendation:** On page 12 of the syllabus, the Mental Health section mentions the College of Pharmacy providing services. This is not accurate, and the most up-to-date language can be found on the ASC Curriculum and Assessment Services website at <https://ascas.osu.edu/curriculum/syllabus-elements> .
- **Recommendation:** On page 11 of the syllabus, the Title IX section makes reference to Kellie Brennan. Kellie Brennan is no longer the Title IX Coordinator. The most up-to-date Title IX language can be found on the ASC Curriculum and Assessment Services website at <https://ascas.osu.edu/curriculum/syllabus-elements> .

Anthropology 2201 will continue through the approval process.

Should you have any questions about the feedback of the Panel, please feel free to contact Susan Kline (faculty Chair of the SBS Panel; cc'd on this e-mail), or me.

Best,
Michael
