Dear Lisa,

Recently the SBS Panel of the ASC Curriculum Committee reviewed your proposal for a new first-year seminar, " Life Hacks through (Psy) Pod Casts."

I am happy to report that the proposal was unanimously approved by the faculty panel. The faculty found the topic of the proposed seminar very interesting and also very much appreciated the creative visual presentation of the syllabus.

The panel members only had one small comment, namely: On page 13 of the syllabus, the Title IX section makes reference to Kellie Brennan. Kellie Brennan is no longer the Title IX Coordinator. The most up-to-date Title IX language can be found on the ASC Curriculum and Assessment Services website at <https://ascas.osu.edu/curriculum/syllabus-elements> .

If you have any questions about this feedback, please do not hesitate to talk to Susan Kline (faculty panel of the SBS Panel), or me.

I am cc'ing Todd Bitters, who administers the First-Year Seminar program. He will be in touch with you for all the practical arrangements related to teaching the course in the Fall.

Congratulations on your new first-year seminar.

My best,
Bernadette
