Course Change Information

What change is being proposed? (If more than one, what changes are being proposed?)

We are requesting to add a distance learning section of this course.

What is the rationale for the proposed change(s)?

This will allow for flexibility with scheduling.

What are the programmatic implications of the proposed change(s)?

(e.g. program requirements to be added or removed, changes to be made in available resources, effect on other programs that use the course)?

None

Is approval of the request contingent upon the approval of other course or curricular program request? No

Is this a request to withdraw the course? No

Introduction to Clinical Methods Syllabus

[SHS 4520] [Spring 2021]

Course Information

- **Course times and location:** No required schedule meetings; all instruction occurs in Carmen each week
- **Credit hours:** 3
- **Mode of delivery:** Distance Learning

Instructor

- **Name:** Loni Arrese, PhD, CCC-SLP
- **Email:** arrese.1@osu.edu or loniarrese@gmail.com
- **Office hours:** Flexible, by appointment
- **Preferred means of communication:**
 - My preferred method of communication for questions is **email**.
 - My class-wide communications will be sent through the Announcements tool in CarmenCanvas. Please check your [notification preferences](https://go.osu.edu/canvas-notifications) (go.osu.edu/canvas-notifications) to be sure you receive these messages.

Course Description

Purpose of this course: The intent of this course is to further students' learning about the process, settings, and issues involved in clinical practice in communication disorders.

Learning Outcomes

By the end of this course, students should successfully be able to:

- (1) Describe the various settings in which speech language pathologists and audiologists practice (medical and educational) and understand the ethical responsibilities associated with being a practicing clinician.
- (2) Explain the importance of observation and counseling in clinical practice.
- (3) Describe the general methods used in professional activities of speech-language pathologists including prevention, screening, assessment, treatment, and advocacy/consultation.

General Education Expected Learning Outcomes

As part of the General Education curriculum, this course is designed to prepare students to be able to do the following:

- (1) Describe to a lay audience basic information about frequently observed communication and swallowing/feeding disorders in children and adults.
- (2) Demonstrate emerging competence in clinical and scientific writing.
- (3) Demonstrate emerging competence in understanding scientific literature to determine appropriate evidence-based practice.

This course fulfills these learning outcomes through didactic learning via recorded lectures, discussion-based learning, and research projects.

How This Online Course Works

Mode of delivery: This course is 100% online. There are no required sessions when you must be logged in to Carmen at a scheduled time.

Pace of online activities: This course is divided into **weekly modules** that are released one week ahead of time. Students are expected to keep pace with weekly deadlines but may schedule their efforts freely within that time frame.

Credit hours and work expectations: This is a 3 credit-hour course. According to [Ohio State bylaws on instruction](http://go.osu.edu/credithours) (go.osu.edu/credithours), students should expect around 3 hours per week of time spent on direct instruction (instructor content and Carmen activities, for example: recorded lectures, quizzes, discussion boards) in addition to 6 hours of homework (reading and assignment preparation).

Attendance and participation requirements: Research shows regular participation is one of the highest predictors of success. With that in mind, I have the following expectations for everyone's participation:

- **Participating in online activities for attendance: at least once per week**
You are expected to log in to the course in Carmen every week. During most weeks you will probably log in many times. If you have a situation that might cause you to miss an entire week of class, discuss it with me *as soon as possible*.
- **Office hours: optional**
- **Participating in discussion forums: once per week**
As part of your participation, each week you can expect to post once per week as part of our substantive class discussion on the week's topics.

Course Materials and Technologies

Required Materials:

Required Textbook:

Paul, R. & Schoen Simmons, E. (2021). *Introduction to Clinical Methods in Communication Disorders*. (4th ed.). Brookes Publishing.

Journal articles as assigned:

OSU Library Licensed Resources <https://guides.osu.edu/c.php?g=483412&p=3305814>

Required Equipment

- **Computer:** current Mac (MacOS) or PC (Windows 10) with high-speed internet connection
- **Webcam:** built-in or external webcam, fully installed and tested
- **Microphone:** built-in laptop or tablet mic or external microphone
- **Other:** a mobile device (smartphone or tablet) to use for BuckeyePass authentication

If you do not have access to the technology you need to succeed in this class, review options for technology and internet access at go.osu.edu/student-tech-access.

Required Software

Microsoft Office 365: All Ohio State students are now eligible for free Microsoft Office 365. Visit the [installing Office 365](https://go.osu.edu/office365help) (go.osu.edu/office365help) help article for full instructions.

CarmenCanvas Access

You will need to use [BuckeyePass](https://buckeyepass.osu.edu) (buckeyepass.osu.edu) multi-factor authentication to access your courses in Carmen. To ensure that you are able to connect to Carmen at all times, it is recommended that you do each of the following:

- Register multiple devices in case something happens to your primary device. Visit the [BuckeyePass - Adding a Device](https://go.osu.edu/add-device) (go.osu.edu/add-device) help article for step-by-step instructions.
- Request passcodes to keep as a backup authentication option. When you see the Duo login screen on your computer, click **Enter a Passcode** and then click the **Text me new codes** button that appears. This will text you ten passcodes good for 365 days that can each be used once.

- [Install the Duo Mobile application](https://go.osu.edu/install-duo) (go.osu.edu/install-duo) on all of your registered devices for the ability to generate one-time codes in the event that you lose cell, data, or Wi-Fi service.

If none of these options will meet the needs of your situation, you can contact the IT Service Desk at [614-688-4357 \(HELP\)](tel:614-688-4357) and IT support staff will work out a solution with you.

Technology Skills Needed for This Course

Grading and Faculty Response

How Your Grade is Calculated

Assignment Category	Percent of Grade
Quizzes	40
Discussions	10
SOAP notes	10
Scientific Poster Presentation	40

See [Course Schedule](#) for due dates.

Descriptions of Course Assignments

Quizzes

Quizzes will be based on assigned readings. Quizzes will typically consist of 10 questions and cover up to two chapters at a time.

Discussions

Participation in weekly discussion-based learning is required. You will be expected to post in response to a topic-related question, case scenario or poster presentations.

SOAP Notes

We will have guest speakers who specialize in hearing, communication and swallowing. These speakers will present a case study or case series. You will be required to write a SOAP note detailing the case presentation.

Scientific Poster Presentation

One way scientific evidence is disseminated at a professional conference is via a poster presentation. A scientific poster is a communication tool which combines a verbal presentation with a visual aid. These presentations are typically given to a small group of people, limited in time and range of view, and are informal and interactive. You will choose a topic within the field to present to the class via a scientific poster presentation. Topics will be based on your specific area of interest and will require pre-approval. Power point posters presentations will be uploaded to Carmen to be shared with the class and should be approximately 15 minutes in length.

Academic integrity and collaboration: Your written assignments, including discussion posts, should be your own original work. In formal assignments, you should follow APA style to cite the ideas and words of your research sources. You are encouraged to ask a trusted person to proofread your assignments before you turn them in but no one else should revise or rewrite your work.

Late Assignments

Please refer to Carmen for due dates. Due dates are set to help you stay on pace and to allow timely feedback that will help you complete subsequent assignments. Assignments will not be accepted late unless you have made special arrangements with me prior to the due date.

Instructor Feedback and Response Time

[Example: I am providing the following list to give you an idea of my intended availability throughout the course. Remember that you can call [614-688-4357 \(HELP\)](tel:614-688-4357) at any time if you have a technical problem.

- **Preferred contact method:** If you have a question, please contact me through my email (arrese.1@osu.edu and/or loniarrese@gmail.com). I will reply to emails within **24 hours on days when class is in session at the university**.
- **Class announcements:** I will send all important class-wide messages through the Announcements tool in CarmenCanvas. Please check [your notification preferences](http://go.osu.edu/canvas-notifications) (go.osu.edu/canvas-notifications) to ensure you receive these messages.
- **Discussion board:** I will check and reply to messages in the discussion boards once mid-week and once at the end of the week.
- **Grading and feedback:** I will try to provide feedback and grades within **seven days**.

Other Course Policies

Discussion and Communication Guidelines

[Example: The following are my expectations for how we should communicate as a class. Above all, please remember to be respectful and thoughtful.]

- **Writing style:** While there is no need to participate in class discussions as if you were writing a research paper, you should remember to write using good grammar, spelling, and punctuation. A more conversational tone is fine for non-academic topics.
- **Tone and civility:** Let's maintain a supportive learning community where everyone feels safe and where people can disagree amicably. Remember that sarcasm doesn't always come across online. I will provide specific guidance for discussions on controversial or personal topics.
- **Citing your sources:** When we have academic discussions, please cite your sources to back up what you say. For the textbook or other course materials, list at least the title and page numbers. For online sources, include a link.
- **Backing up your work:** Consider composing your academic posts in a word processor, where you can save your work, and then copying into the Carmen discussion.

Academic Integrity Policy

See [Descriptions of Major Course Assignments](#) for specific guidelines about collaboration and academic integrity in the context of this online class.

Ohio State's Academic Integrity Policy

Academic integrity is essential to maintaining an environment that fosters excellence in teaching, research, and other educational and scholarly activities. Thus, The Ohio State University and the Committee on Academic Misconduct (COAM) expect that all students have read and understand the university's [Code of Student Conduct](#) (studentconduct.osu.edu), and that all students will complete all academic and scholarly assignments with fairness and honesty. Students must recognize that failure to follow the rules and guidelines established in the university's *Code of Student Conduct* and this syllabus may constitute "Academic Misconduct."

The Ohio State University's *Code of Student Conduct* (Section 3335-23-04) defines academic misconduct as: "Any activity that tends to compromise the academic integrity of the university or subvert the educational process." Examples of academic misconduct include (but are not limited to) plagiarism, collusion (unauthorized collaboration), copying the work of another student, and possession of unauthorized materials during an examination. Ignorance of the university's *Code of Student Conduct* is never considered an excuse for academic misconduct, so I recommend that you review the *Code of Student Conduct* and, specifically, the sections dealing with academic misconduct.

If I suspect that a student has committed academic misconduct in this course, I am obligated by university rules to report my suspicions to the Committee on Academic Misconduct. If COAM determines that you have violated the university's Code of Student Conduct (i.e., committed academic misconduct), the sanctions for the misconduct could include a failing grade in this course and suspension or dismissal from the university.

If you have any questions about the above policy or what constitutes academic misconduct in this course, please contact me.

Other sources of information on academic misconduct (integrity) to which you can refer include:

- [Committee on Academic Misconduct](http://go.osu.edu/coam) (go.osu.edu/coam)
- [Ten Suggestions for Preserving Academic Integrity](http://go.osu.edu/ten-suggestions) (go.osu.edu/ten-suggestions)
- [Eight Cardinal Rules of Academic Integrity](http://go.osu.edu/cardinal-rules) (go.osu.edu/cardinal-rules)

Copyright for Instructional Materials

The materials used in connection with this course may be subject to copyright protection and are only for the use of students officially enrolled in the course for the educational purposes associated with the course. Copyright law must be considered before copying, retaining, or disseminating materials outside of the course.

Creating an Environment Free from Harassment, Discrimination, and Sexual Misconduct

The Ohio State University is committed to building and maintaining a community to reflect diversity and to improve opportunities for all. All Buckeyes have the right to be free from harassment, discrimination, and sexual misconduct. Ohio State does not discriminate on the basis of age, ancestry, color, disability, ethnicity, gender, gender identity or expression, genetic information, HIV/AIDS status, military status, national origin, pregnancy (childbirth, false pregnancy, termination of pregnancy, or recovery therefrom), race, religion, sex, sexual orientation, or protected veteran status, or any other bases under the law, in its activities, academic programs, admission, and employment. Members of the university community also have the right to be free from all forms of sexual misconduct: sexual harassment, sexual assault, relationship violence, stalking, and sexual exploitation.

To report harassment, discrimination, sexual misconduct, or retaliation and/or seek confidential and non-confidential resources and supportive measures, contact the Office of Institutional Equity:

1. Online reporting form at equity.osu.edu,
2. Call 614-247-5838 or TTY 614-688-8605,
3. Or email equity@osu.edu

The university is committed to stopping sexual misconduct, preventing its recurrence, eliminating any hostile environment, and remedying its discriminatory effects. All university employees have reporting responsibilities to the Office of Institutional Equity to ensure the university can take appropriate action:

- All university employees, except those exempted by legal privilege of confidentiality or expressly identified as a confidential reporter, have an obligation to report incidents of sexual assault immediately.
- The following employees have an obligation to report all other forms of sexual misconduct as soon as practicable but at most within five workdays of becoming aware of such information: 1. Any human resource professional (HRP); 2. Anyone who supervises faculty, staff, students, or volunteers; 3. Chair/director; and 4. Faculty member.

Your Mental Health

As a student you may experience a range of issues that can cause barriers to learning, such as strained relationships, increased anxiety, alcohol/drug problems, feeling down, difficulty concentrating and/or lack of motivation. These mental health concerns or stressful events may lead to diminished academic performance or reduce a student's ability to participate in daily activities. No matter where you are engaged in distance learning, The Ohio State University's Student Life Counseling and Consultation Service (CCS) is here to support you. If you find yourself feeling isolated, anxious or overwhelmed, [on-demand mental health resources](https://go.osu.edu/ccsondemand) (go.osu.edu/ccsondemand) are available. You can reach an on-call counselor when CCS is closed at [614- 292-5766](tel:614-292-5766). **24-hour emergency help** is available through the [National Suicide Prevention Lifeline website](https://suicidepreventionlifeline.org) (suicidepreventionlifeline.org) or by calling [1-800-273-8255\(TALK\)](tel:1-800-273-8255). [The Ohio State Wellness app](https://go.osu.edu/wellnessapp) (go.osu.edu/wellnessapp) is also a great resource.

Accessibility Accommodations for Students with Disabilities

Requesting Accommodations

The university strives to make all learning experiences as accessible as possible. If you anticipate or experience academic barriers based on your disability including mental health, chronic or temporary medical conditions, please let me know immediately so that we can privately discuss options. To establish reasonable accommodations, I may request that you register with [Student Life Disability Services \(SLDS\)](#). After registration, make arrangements with me as soon as possible to discuss your accommodations so that they may be implemented in a timely fashion. In light of the current pandemic, students seeking to request COVID-related accommodations may do so through the university's request process, managed by Student Life Disability Services.

Introduction to Clinical Methods in Speech-Language Pathology
SHS 4520
Spring 2019

Instructor: Jennifer Brello, MEd., CCC-SLP
Class Location: Mendenhall Lab 125
Time: M/W 3:00-4:20 pm
Class Website: Carmen

Office Hours: By appointment
Office Address: 117 Pressey Hall
Email: brello.1@osu.edu
Phone: 614-292-4125

Purpose of this course: The intent of this course is to further students' learning about the process, settings, and issues involved in clinical practice in communication disorders.

Learning objectives:

Knowledge

- (1) To learn about the medical and education contexts in which speech-language pathologists practice and about the roles of their professional colleagues in those contexts
- (2) To understand how disorders of speech, language, and hearing adversely affect communication
- (3) To be able to describe the distinction between impairment, disability, handicap, disorder and difference
- (4) To describe the general methods used in professional activities of speech-language pathologists including prevention, screening, assessment, treatment, and advocacy/consultation

Skills

- (5) To be able to share with a lay audience basic information about frequently observed communication and swallowing/feeding disorders in children and adults
- (6) To describe a clinician session using a behavioral coding system and demonstrate emerging competence in descriptive writing
- (7) To cogently present information about basic information about a standardized test, including its psychometric characteristics in writing and/or orally

Values

- (8) To develop an appreciation of the impact of communication disorders on individuals quality of life
- (9) To develop awareness of the need to consider cultural differences in communication in order to differentiate communication differences from communication disorder

GRADING Calculation (OSU Standard)

Course Assignments: (500 points total)

Exams: (300 points)

Three exams worth 100 points each. Exams can be a combination of True/False, multiple choice, fill in, short answer, and essay. Exams will be completed in class.

Lab Assignments: (50 points each)

Information will be provided *in class* to assist you with these assignments in addition to materials posted on Carmen. Please see the course schedule for due dates and rubrics.

1.) Preparation of descriptive assessment summary. You will watch a video and write a summary that includes the following components. a) client history/summary of parent concerns, b) description of client speech-language characteristics, c) identify appropriate long term and short-term goals.

2) SOAP Notes. Two videos of SLP intervention sessions will be posted on Carmen. You will view each video and prepare a SOAP note for each session.

3) AAC project. You will develop, utilize, and present a unique board (that you have developed) to the class. On the day of your presentation, you must upload an electronic copy of your AAC board to the dropbox indicated lab #3. More detailed instructions will be provided on Carmen under Lab#3.

***Print out your completed lab assignments and bring to class on the due date.*

Guest Speaker Reaction Papers: (10 points each)

Six guests are scheduled to lecture on their area of expertise throughout the semester as indicated on the course schedule. You will be required to submit a one-page reaction paper for 5 of 6 scheduled speakers.

Papers are to be submitted via dropbox on Carmen and should be no longer than 1 page. **You must attend the lecture AND sign the attendance sheet to submit a reflection paper.** Each paper should include the following:

- Name/title/place of employment of speaker.
- What SPECIFICALLY did you take away from the talk? What did you learn about the speaker's area of expertise and how does it influence/or not influence your professional goals?
- What questions do you have regarding the information presented?

Late Assignments:

Only medical or emergency excuses documented appropriately will be accepted to consider allowing you to take a makeup opportunity for exam or assignment. If such an excuse is not available, the grade for the missed assignment/exam will be 0 and no make-up will be allowed.

Academic Misconduct: The University's Code of Student Conduct defines academic misconduct as "any activity that tends to compromise the academic integrity of the University, or subvert the educational process." If I suspect that a student has committed academic misconduct in this course, I am obligated by University Rules to report my suspicions to the Committee on Academic Misconduct. If COAM determines that you have violated the University's *Code of Student Conduct* (i.e., committed academic misconduct), the sanctions for the misconduct could include a failing grade in this course and suspension or dismissal from the University. If you have any questions about the above policy or

what constitutes academic misconduct in this course, please contact me. Some examples of academic misconduct include (but are not limited to): plagiarism, knowingly providing or receiving information during an exam or assignment, and violating the course rules.
