Dear Professor McDow,

Recently the Arts and Humanities 2 Panel of the ASC Curriculum Committee reviewed your proposal for a new first-year seminar, "The History of Improvisational Comedy: Not Just Making It Up As We Go Along?"

I am happy to report that the proposal was unanimously approved by the faculty panel. The Panel only had one comment, and it is as follows:

- The Panel recommends including assignment deadlines within the syllabus.

If you have any questions about this feedback, please do not hesitate to talk to Luke Wilson (faculty panel of the A&H2 Panel), or me.

Additionally, I am cc'ing Todd Bitters, who administers the First-Year Seminar program. He will be in touch with you for all the practical arrangements related to teaching the course in the Fall.

Congratulations on your new first-year seminar!

Best,
Michael
