Dear Professor Fredal,

Recently the Arts and Humanities 2 Panel of the ASC Curriculum Committee reviewed your proposal for a new first-year seminar, "Introduction to Bulls\*\*t"

I am happy to report that the proposal was unanimously approved by the faculty panel. The Panel had three comments, and they are as follows:

- The Panel suggests adding full book titles, bibliographical information, and where to buy the required texts for the course.
- The course description mentions this course is a 1138, yet the course is listed as a 1137. Please change this language to reflect the accurate course code.
- The Panel recommends providing additional information regarding the "Show and Tell" days one and two found in the course calendar, as they are unsure if this is the same or different from the final reflection assignment.

If you have any questions about this feedback, please do not hesitate to talk to Luke Wilson (faculty panel of the A&H2 Panel), or me.

Additionally, I am cc'ing Todd Bitters, who administers the First-Year Seminar program. He will be in touch with you for all the practical arrangements related to teaching the course in the Fall.

Congratulations on your new first-year seminar!

Best,  
Michael
