Dear Professor Haase,

Recently the Arts and Humanities 2 Panel of the ASC Curriculum Committee reviewed your proposal for a new first-year seminar, "The Space Behind Our Eyes: Mental Health, Campus Life & Creative Self Expression"

I am happy to report that the proposal was unanimously approved by the faculty panel. The Panel had two comments, and they are as follows:

- Please provide a grading scale to specify what constitutes a "Satisfactory" grade within the course.
- The Panel recommends providing additional information on the course readings.

If you have any questions about this feedback, please do not hesitate to talk to Luke Wilson (faculty panel of the A&H2 Panel), or me.

Additionally, I am cc'ing Todd Bitters, who administers the First-Year Seminar program. He will be in touch with you for all the practical arrangements related to teaching the course in the Fall.

Congratulations on your new first-year seminar!

Best,  
Michael
