Good morning,

On Monday, March 15th, the Natural and Mathematical Sciences Panel of the ASC Curriculum Committee reviewed a new course proposal for Microbiology 7719.

The Panel unanimously approved the request with one recommendation:

- **Recommendation:** On page 6 of the syllabus, under the Harassment and Assault section, Kellie Brennan is mentioned as the Title IX Coordinator. The Panel suggests updating this language as Kellie Brennan is no longer Title IX Coordinator and the most up-to-date language can be found on the ASC Curriculum and Assessment Services website at <https://ascas.osu.edu/curriculum/syllabus-elements>.

Microbiology 7719 will continue through the approval process.

Should you have any questions about the feedback of the Panel, please feel free to contact Wendy Panero (faculty Chair of the NMS Panel; cc'd on this e-mail), or me.

Best,
Michael
