Good afternoon,

On Wednesday, March 17, the Arts and Humanities 1 Panel of the ASC Curriculum Committee reviewed a course change proposal for History 8550.

The Panel unanimously approved the request with one contingency and two recommendations:

- Contingency: Please replace the outdated Academic Misconduct statement (as found on page 3 of the syllabus) with the current, most up-to-date statement. This statement can be found on the ASC Curriculum and Assessment Services website at <https://ascas.osu.edu/curriculum/syllabus-elements>
- Recommendation: The Panel recommends separating the grading of active participation and providing constructive critiques (as found on page 5 of the syllabus) into two separate sections.
- Recommendation: The Panel suggests changing the color of assignments in the syllabus from red to a different color, as red is also used for section titles and believe students may have a difficult time traversing the syllabus.

I will return History 8550 to the department queue via curriculum.osu.edu in order to address the Panel's requests.

Should you have any questions about the feedback of the Panel, please feel free to contact Brad Steinmetz (faculty Chair of the A&H1 Panel; cc'd on this e-mail), or me.

Best wishes,
Shelby
