Good afternoon,

On Thursday, May 13th, Social and Behavioral Sciences Panel of the ASC Curriculum Committee reviewed a proposal to create a new undergraduate certificate in Intercultural Competence for Global Citizenship.

I am happy to report that proposal was unanimously approved with the following recommendations:

- **Recommendation:** The Required Information on p. 1 of the proposal was left off. Include it in this version as well.
- **Recommendation:** On the advising sheet, the Panel would like to recommend the following corrections:
 - Under “Grades Required”, there is still the boilerplate language mentioning a 3.0 is required for a graduate certificate that should be removed.
 - Under “Approval Required”, there is boilerplate language surrounding where the certificate must be approved that should be removed.

While the proposal was approved by the SBS Panel, I will return the certificate proposal via curriculum.osu.edu for you to address the Panel’s recommendations before it heads to the next Panel at the beginning of Autumn 2021.

Should you have any questions about the feedback above, do not hesitate to contact Susan Kline, faculty Chair of the SBS Panel, or me.

Best,
Michael
