Good afternoon Karen and Deb,

On Wednesday, April 7th, the Arts and Humanities 1 Panel of the ASC Curriculum Committee reviewed a new course proposal for English 2221.

The Panel unanimously approved the request with one recommendation:

- **Recommendation:** The Panel suggests adding course times to help determine the amount of contact hours for the course.

Additionally, on Thursday, April 15th, the Race, Ethnicity, and Gender Diversity Panel of the ASC Curriculum Committee reviewed the GE: Foundation REGD request for English 2221.

The Panel did not vote on the proposal as they would like the following points addressed:

- The Panel determined that while the course may merit inclusion in the REGD category in general, as submitted the current assignments and assigned readings in the schedule as represented by the proposal and the syllabus do not align specifically and convincingly with the Goals and ELOs for the GE: REGD category.

I will return English 2221 via curriculum.osu.edu to allow you to address the Panel's concerns.

Should you have any questions about the feedback of the Panel, please feel free to contact either Brad Steinmetz regarding A&H1 or Richard Fletcher regarding REGD (both cc'd to this email), or me.

Best,
Michael
