Good afternoon,

On Monday, April 12th, the Arts and Humanities 2 Panel of the ASC Curriculum Committee reviewed a new course proposal for Dance 6805.

The Panel unanimously approved the request with four recommendations:

- **Recommendation:** On page 5 of the syllabus, under the Title IX section, the syllabus mentions Kellie Brennan as being the Title IX Coordinator. The Panel recommends removing her name, as she is no longer the Title IX Coordinator and the most up-to-date language can be found on the ASC Curriculum and Assessment Services website at <https://ascas.osu.edu/curriculum/syllabus-elements>.
- **Recommendation:** On page 3 of the syllabus, there appears to be a note-to-self erroneously left in the syllabus above the "Preparedness, Participation, and Professionalism" section that the Panel recommends removing.
- **Recommendation:** The Panel recommends adding page numbers to the course readings on the course schedule, found on pages 8-14 of the syllabus.
- **Recommendation:** On page 1 of the syllabus, it is mentioned that this course is 3 units. The Panel suggest changing this to 3 credit hours, as they are unsure if students will understand that units and credit hours are the same value and could cause confusion.

Dance 6805 will continue through the approval process.

Should you have any questions about the feedback of the Panel, please feel free to contact Luke Wilson (faculty Chair of the A&H2 Panel; cc'd on this e-mail), or me.

Best,
Michael
