Dear Bernadette,

Please find attached (1) the revised proposal for the Air Transportation Major in Geography and (2) a tentative curriculum map for the Air Transportation Major (subject to revisions by the end of September, as indicated in the proposal).

Changes to the initial proposal include: (1) deletion of Appendix C per your advice; (2) changes to ‘Status of Curricular Revision in the Geography Department’ in Section V, ‘The Insertion of Revisions to the Air Transportation Major in Overall Curricular Revision in Geography,’ pp. 7-8 (changes include reference to the attached curriculum map); and (3) changes to section VI, ‘Assessment Plan,’ p. 8.

Thank you for your helpful comments on the initial proposal. Please let me know if you have any questions about the revision.

Sincerely,

Nancy
