Good afternoon,

On Thursday, May 13th, the Social and Behavioral Sciences Panel of the ASC Curriculum Committee reviewed a course content change proposal for Social Work 1140.

The Panel unanimously approved the request with two recommendations:

- **Recommendation:** The Panel would make to mention that there is a requirement to keep the current General Education ELOs/Goals on the syllabus for its approved category until the new GE is implemented in AU22. The current GE language can be found on the ASC Curriculum and Assessment Services website at <https://ascas.osu.edu/curriculum/general-education-goals-and-expected-learning-outcomes>.
- **Recommendation:** The Panel would like to recommend clarifying the volume of reading within the syllabus for students (such as adding page numbers). They also would like to mention that there is potentially too high of a reading workload for a 1000-level course.

Social Work 1140 will continue through the approval process.

Should you have any questions about the feedback of the Panel, please feel free to contact Susan Kline (faculty Chair of the SBS Panel; cc'd on this e-mail), or me.

Best,
Michael
