Good afternoon Beth,

On Friday, January 28th, the Themes Panel of the ASC Curriculum Committee reviewed new GE Theme: Health and Wellbeing Proposals For English 2277 and 3031.01. Please see the Panel's feedback for the courses below:

- English 2277 approved with one contingency and two recommendations. As a reminder, a revision that addresses the Panel's contingencies is required to be submitted before the course can move forward in the approval process, while the Panel's recommendations can be addressed when the course is next taught.
 - **Contingency:** The Panel requests that the GE Theme: Health and Wellbeing Goals/ELOs and a statement explaining how the course satisfies the ELOs be added to the course syllabus, as this is a requirement of all GE courses within the College of Arts and Sciences. The GE Goals and ELOs can be found on the Office of Academic Affairs website at: <https://oaa.osu.edu/ohio-state-ge-program>.
 - **Recommendation:** The Panel recommends adding a letter grade of "E" to the grading scale.
 - **Recommendation:** The TAG recommends including additional information in the course syllabus surrounding Health and Wellbeing Theme Specific ELO 1.2.
- English 3031.01 approved with one contingency. As a reminder, a revision that addresses the Panel's contingencies is required to be submitted before the course can move forward in the approval process.
 - **Contingency:** The Panel requests that ELO 2.2 of the generic Theme ELOs be added to the GE language section of the syllabus and a statement explaining how the course fulfills the GE ELOs be added to the syllabus. The GE Goals and ELOs can be found on the Office of Academic Affairs website at: <https://oaa.osu.edu/ohio-state-ge-program>.

I will return English 2277 and English 3031.01 to the departmental queue via curriculum.osu.edu in order to address the Panel's feedback items.

Should you have any questions, please do not hesitate to contact Jim Fredal, faculty Chair of the Themes Panel, Eden Lin and Megan Amaya, faculty Co-Chairs of the Theme Advisory Group: Health and Wellbeing, or myself.

Best,
Michael
