This looks great and can move on to the committee. This is also the first one I have reviewed with the new cover sheet so we will see how it goes!

Hi Ian,

I hope you're doing well!

Could you take a look at the attached syllabus and proposal for Psych 3340 online for the tech

review? This is our first time working with the new process so I THINK the information in the cover letter is what we send you now. If not, just let me know.

Thanks!

Alisa
