Good afternoon,

On Thursday, October 7, the Social and Behavioral Sciences Panel of the ASC Curriculum Committee reviewed the course proposal for Anthropology 3050.

The Panel unanimously approved the request with *one (1) recommendation* and one (1) comment:

- *When the course is taught, please include a grading scale in the syllabus for student reference, while avoiding language that mentions an “OSU standard grading scheme,” as Ohio State does not have a standardized grading scheme.*
- The Panel kindly reminds the department to upload a syllabus that includes all the goals and ELOs for the Sustainability theme. The complete list of goals and ELOs are available here: <https://oaa.osu.edu/ohio-state-ge-program>

Anthropology 3050 will continue through the approval process.

Should you have any questions about the feedback of the Panel, please feel free to contact Mat Coleman (faculty Chair of the SBS Panel; cc'd on this e-mail), or me.

Best,  
Emily
