Subject: concurrence for certificate and capstone course

Dear Dean Bisesi,

The Department of Anthropology seeks concurrence from the College of Public Health for a new interdisciplinary undergraduate certificate (Stable and Resilient Social and Ecological Systems [SARSES]). I am also including a proposal and syllabus for the capstone course that will be required for completion of the certificate. Please respond via email to gremillion.1@osu.edu. Responses are due within two weeks. Please note that the Department of Anthropology will assume concurrence is granted if no response is received within two weeks.

Many thanks, and please contact me if you have questions or concerns.

Best regards,

Kris

Kristen J. Gremillion
