Good afternoon,

On Wednesday, September 15th, the Natural and Mathematical Sciences Panel of the ASC Curriculum Committee reviewed course change requests for Statistics 4302 and 7430. Please find below the Panel's feedback for these courses.

- Statistics 4302 (course change) approved.
- Statistics 7430 (course change) approved with two recommendations:
 - **Recommendation:** The Panel recommends adding which dates in the course calendar are being taught synchronously and which dates are being taught asynchronously.
 - **Recommendation:** The Panel recommends adding the time and date of the course meeting to the syllabus.

Statistics 4302 and 7430 will continue through the approval process.

Should you have any questions about the feedback of the Panel, please feel free to contact Wendy Panero (faculty Chair of the NMS Panel; cc'd on this e-mail), or me.

Best,
Michael
