Apologies to all, I made an error in the text of the original email in regards to the panel. Correct information is as follows:

Good evening!

On Tuesday, Sept. 21st, the Race, Ethnic, and Gender Diversity Panel of the ASC Curriculum Committee reviewed Social Work 1140 for the new GE Foundations: Race, Ethnic, and Gender Diversity category.

The Panel unanimously approved the request with one *recommendation*:

- **Recommendation:** *The Panel kindly requests that all courses submitted in the new GE Foundation: REGD include a Land Acknowledgment, which can be found on the Multicultural Center's website at: <https://mcc.osu.edu/about-us/land-acknowledgement>*

Social Work 1140 will continue through the approval process.

Should you have any questions about the feedback of the Panel, please feel free to contact Richard Fletcher (faculty Chair of the REGD Panel; cc'd on this e-mail), or me.

Best,
Rachel

I acknowledge that the land that The Ohio State University occupies is the ancestral and contemporary territory of the Shawnee, Potawatomi, Delaware, Miami, Peoria, Seneca, Wyandotte, Ojibwe and Cherokee peoples. Specifically, the university resides on land ceded in the 1795 Treaty of Greeneville and the forced removal of tribes through the Indian Removal Act of 1830. I honor the resiliency of these tribal nations and recognize the historical contexts that has and continues to affect the Indigenous peoples of this land.
