Good afternoon,

On Monday, December 6th, the Assessment Panel of the ASC Curriculum Committee reviewed a distance learning proposal for Communication 3800. As a reminder, the Panel's recommendations can be implemented by the course instructor at the time of instruction and do not need to be made at this time in order for a course to receive full approval. Please see the Panel's feedback below:

The Panel unanimously approved the request with one recommendation:

- **Recommendation:** On page 2 of the syllabus, the Panel recommends removing the title of "General Education" to those course goals, as this may confuse students believing they are fulfilling a component of the University's General Education when this course is not approved as a General Education course.

Communication 3800 will continue through the approval process.

Should you have any questions about the feedback of the Panel, please feel free to contact Bill Putikka (acting faculty Chair of the Assessment Panel; cc'd on this e-mail), or me.

Best,
Michael
