Good afternoon,

On Friday, October 1, the Arts & Humanities Panel 2 of the ASC Curriculum Committee reviewed the proposal to offer a new distance learning course, Japanese 5105.

I am pleased to report that the proposal was unanimously approved with two (2) comments:

- **Comment:** The Panel appreciates the pedagogical versatility that alternative technological platforms afford, but also simultaneously notes that integrating OSU-vetted technology into the course would help avoid additional cybersecurity and accessibility concerns.
- **Comment:** The Panel kindly observes that in the course description on the first page of the syllabus, 5194 should instead read 5105.

Should you have any questions about the feedback of the Panel, please feel free to contact Eugenia Romero (faculty Chair of the A&H2 Panel; cc'd on this e-mail), or me.

Best,
Emily
