Good afternoon,

On Thursday, October 7, the Social and Behavioral Sciences Panel of the ASC Curriculum Committee reviewed the course proposal for Sociology 3460.

The Panel did not vote on the proposal as they would like the following points addressed:

- The version of the DL syllabus that was reviewed by Jeremie Smith for DL is no longer applicable. Indeed, since submitting this request, the Department of Sociology has added another request, namely a request for new GE Theme Sustainability, with another syllabus. Please remove all documents that are no longer applicable: i.e., previous iteration of the DL syllabus & unsigned cover sheet that goes with that previous iteration of the DL syllabus. The request for DL that the panel will review is the DL version of the latest syllabus (with GE Theme Sustainability) so please make sure that that syllabus is a DL syllabus and it is reviewed by Jeremie Smith.

I will return Sociology 3460 to the queue via curriculum.osu.edu so that the department may address the Panel's requests.

Should you have any questions about the feedback of the Panel, please feel free to contact Mat Coleman (faculty Chair of the SBS Panel; cc'd on this e-mail), or me.

Best,
Emily
