Good morning,

On Monday, October 11, the Arts & Humanities Panel 2 of the ASC Curriculum Committee reviewed the course proposals for German 1101.02, 1102.02, and 1103.02.

The Panel unanimously approved the requests with *three (3) recommendations*:

- *The Panel suggests that the syllabus course calendar clearly indicate when required recitations will take place.*
- *The Panel recommends clarifying the due dates for assignments, making this information readily apparent in the syllabus.*
- *The Panel suggests exploring community building exercises for students to become further engaged within the course and potentially utilizing the following resources:*
 - *The College of Arts and Sciences Office of Distance Education (ASC ODE) offers consultation with their instructional designers. Please visit <https://ascodes.osu.edu/consultation> for further information and how to schedule one of these consultations.*
 - *The following resources from the Teaching and Learning Resource website may be of particular interest to explore the facilitation of community within courses, as recommended by Distance Educator Coordinator Jeremie Smith:*
 1. *Student Interaction Online: <https://teaching.resources.osu.edu/teaching-topics/student-interaction-online>*
 2. *Community Building in Online Courses: <https://ascodes.osu.edu/resources/asc-teaching-forums/community-building-online-courses>*

German 1101.02, 1102.02, and 1103.02 will continue through the approval process.

Should you have any questions about the feedback of the Panel, please feel free to contact Eugenia Romero (faculty Chair of the A&H2 Panel; cc'd on this e-mail), or me.

Best,
Emily
