Good morning,

On Thursday, March 10th, the Arts and Humanities 2 Panel of the ASC Curriculum Committee reviewed a new GE request for Linguistics 3502. Please see the Panel's feedback below:

Linguistics 3502 unanimously approved with one recommendation:

- **Recommendation:** The Panel recommends that the course include more material on the primary sources that constructed languages originate from (for example, reading excerpts of Tolkien's works to examine the various "Elvish" languages or watching episode(s) of Star Trek to examine Klingon) in order to better connect students to the GE ELOs of the LVPA category.

Linguistics 3502 will continue through the approval process.

Should you have any questions, please do not hesitate to reach out to Eugenia Romero, faculty Chair of the Arts and Humanities 2 Panel, or myself.

Best,
Michael
