Good morning,

On Friday, February 24th, the Themes 1 Panel of the ASC Curriculum Committee reviewed a GEN Theme: Citizenship for a Diverse and Just World proposal for EDUTL 5005.

I am pleased to report that the Panel unanimously approved the revision with one contingency and two recommendations. As a reminder, the Panel's contingency must be satisfied in a revision submitted to curriculum.osu.edu while the Panel's recommendations may be implemented when the course is next taught.

- **Contingency:** The reviewing faculty ask that a brief rationale be added into the course syllabus underneath the General Education Goals and ELOs (on pages 3 and 4 of the syllabus) that tells students how they can expect to fulfill the General Education ELOs. This is a requirement of all General Education course syllabi.
- **Recommendation:** The reviewing faculty recommend removing the reference to the quarter systems prerequisite on the course syllabus (on page 2), as it has been removed in the curriculum.osu.edu portal system.
- **Recommendation:** The reviewing faculty recommend removing the reference to a midterm and final exam (on page 5 of the course syllabus, underneath the Course Requirements chart).

I will return EDUTL 5005 to the departmental queue via curriculum.osu.edu in order to address the Panel's above feedback.

Should you have any questions regarding this feedback, please do not hesitate to reach out to Birgitte Soland, faculty Chair of the Theme Advisory Group: Citizenship for a Diverse and Just World, Jim Fredal, faculty Chair of the Themes 1 Panel, or me.

All my best,
Michael
