Good morning,

On Thursday, July 14<sup>th</sup>, the Themes Panel of the ASC Curriculum Committee reviewed a new GE Theme: Citizenship for a Diverse and Just World proposal for EDUTL 5005. Please see below for the Panel's feedback:

The Panel did not vote on the proposal as they would like to see the following feedback items addressed:

- The reviewing faculty thank the department for the thoughtful revisions to the course and its content. However, while they recognize the course has a connection to the idea of Citizenship, they still find this course to focus on diversity and equity rather than Citizenship. They ask that Citizenship be more thoroughly developed throughout the course, with attention paid to the GE Goals and ELOs.
- The reviewing faculty request a cover letter be submitted that details any changes made in response to the feedback provided by the Panel.

I will return EDUTL 5005 to the departmental queue via curriculum.osu.edu in order to address the Panel's feedback.

Should you have any questions, please do not hesitate to reach out to Jim Fredal, faculty Chair of the ASCC Themes Panel, Jeff Cohen, faculty Chair of the Theme Advisory Group: Citizenship for a Diverse and Just World, or me.

My best,  
Michael
