Good morning Deb and Beth,

On Thursday, October 14th, the Themes Panel of the ASC Curriculum Committee reviewed a new GE Theme: Citizenship for a Diverse and Just World proposal for English 2276.

The Panel unanimously approved the request with two recommendations and one comment:

- **Comment:** The reviewing faculty found this proposal to be an impactful 2000-level submission to the GE Theme category and found the emphasis on public discourse as a mode of citizenship to be particularly impactful.
- **Recommendation:** The reviewing faculty recommend removing the grade of D- from the syllabus, as the University does not officially award the grade of D- to students.
- **Recommendation:** On page 6 of the syllabus, under the GE Theme ELOs chart, ELOs 1.1 and 1.2 do not appear to be the correct Citizenship for a Diverse and Just World ELOs and the reviewing faculty ask that these be changed to the correct ELOs. The correct GE Goals/ELOs can be found on the Office of Academic Affairs website at: <https://oaa.osu.edu/ohio-state-ge-program>.

English 2276 will continue through the approval process.

Should you have any questions about the feedback of the Panel, please feel free to contact Jim Fredal, faculty Chair of the ASCC Themes Panel, Isaac Weiner, faculty Chair of the Theme Advisory Group: Citizenship for a Diverse and Just World, or me.

Best,
Michael
