---

Good afternoon,

On Friday, January 28<sup>th</sup>, the Themes Panel of the ASC Curriculum Committee reviewed new GE Theme: Health and Wellbeing Proposals For History and Pharmacy 3708. Please see the Panel's feedback for the courses below:

- History and Pharmacy 3708 approved with two contingencies. As a reminder, a revision that addresses the Panel's contingencies is required to be submitted before the course can move forward in the approval process.
  - **Contingency:** The Panel requests that ELO 2.2 of the generic Theme ELOs be added to the GE language section of the syllabus. The GE Goals and ELOs can be found on the Office of Academic Affairs website at: <https://oaa.osu.edu/ohio-state-ge-program>.
  - **Contingency:** The Panel asks that the CIP codes for each course be checked, as it appears that one of them is mismatched and should be identical. The CIP code for the History version is listed as 51.2001 while the Pharmacy version is listed as 51.2010.

I will return History and Pharmacy 3708 to the departmental queue via curriculum.osu.edu in order to address the Panel's feedback items.

Should you have any questions, please do not hesitate to contact Jim Fredal, faculty Chair of the Themes Panel, Eden Lin and Megan Amaya, faculty Co-Chairs of the Theme Advisory Group: Health and Wellbeing, or myself.

Best,  
Michael
